Nomination category

Please tick the category you are nominating this person for

- Exemplary professional standards of excellence to the community and public that goes above and beyond the regular standards of service
- Leadership, guidance, mentoring and governance; in a team or for a group
- Implementation of a process or system to achieve more efficacy, higher efficiency, improved productivity or better service delivery
- Innovation in research, a program, project or policy development

Details of the nomination

Please provide a statement as to why you are nominating this person and why he/she is deserving of this award

Please provide the nominee's background, including their career history, achievements, principles and demonstrated reputation for integrity and ethical behaviour

Please describe how the nominee has proven results in the category he/she is being nominated for or how recommendations have been implemented to produce results

Please describe how the nominee has demonstrated personal commitment to achieving positive results through consistent and enduring actions including demonstration of selfless attitude (that may have even incurred personal cost)

Please describe the nominee's demonstration of long-term participation and commitment to the allied health profession and industry as a whole in rural and remote Australia

Demonstration of on-going commitment and dedication to raising awareness and an appreciation of allied health professionals and allied health challenges and constraints in rural and remote Australia with a variety of industry stakeholders as well as government and community

Demonstration of a selfless attitude and fortitude in pursuing causes for the benefit of the future of allied health professionals, the industry and the communities in rural and remote Australia

Thank you for your nomination. Please don't forget to include:

- a photo of the nominee,
- corroborated evidence of the contribution being nominated for and signed references from authoritative sources,
- any supplementary information such as recognition and awards already held by the nominee,
- an endorsement from an organisation or establishment or individual stating the benefits derived from the contribution made by the nominee or supporting documentation to evidence any of the claims stated in the submission.
